

We are currently considering taking units as trade-in towards the purchase of a Garmin GPSMAP696.

We can accept GPSMAP 196/296/396/496 units that have most of the original accessories with them.

Please give us a call today to find out how much your unit is worth towards the purchase of a new Garmin GPSMAP696 !!!

Example:

GPSMAP 496 with all accessories trade-in value = \$1200

GPSMAP 696 Americas                      \$3295 - 1200 = \$2095.00 final price.

We can take the headache out of you selling your unit used, and lower your out of pocket expense on the new unit.
